

PRODUCT INFORMATION

PRODUCT NAME VASOIL 2TS

DESCRIPTION **2 TS** is a Premium quality synthetic blend lubricant for two-stroke gasoline engines (motorcycles, scooters and etc) with high requirements. The selective additive package provides high thermal stability, low deposit formation in the combustion chamber, the piston ring area and the exhaust system, while it reduce spark-plug fouling and ensures that the components remain clean.
It exceeds the requirements of European and Japanese motorbike manufacturers.

PRODUCT USE

2 TC is recommended for all two-stroke gasoline engines in automotive, industrial and agriculture applications whether lubricated by separate pumped oil system or by petrol mixture.
Use percentage 2 - 5 %, as recommended by the manufacture.

SPECIFICATIONS

2 TC meet the requirements of the following specifications:

- API TC+
- JASO FD
- ISO-L- EGD
