

PRODUCT INFORMATION

PRODUCT NAME VASOIL ATF DEX D

DESCRIPTION **ATF DEX D** is formulated from high-quality HVI base oils combined with a special additive including viscosity index improvers, antioxidants, and antifoams providing smooth and controlled friction/wear characteristics. The product is a high performance, fluid for automatic transmissions in older vehicles specifying Dexron IID. It is also used as a hydraulic fluid in unique applications.

PRODUCT USE

ATF DEX D can be used for some automatic and manual transmissions in passenger cars and light trucks specifying Dexron IID level performance as well as the related power steering systems. It is also suitable for use in some special hydraulic systems and anywhere fluid with the following specification request.

SPECIFICATIONS

ATF DEX D meet the requirements of the following specifications:

GM DEXRON II TYPE D	Allison C-4	TYPE A, SUFFIX A
FORD MERCON	Cat TO - 2
